

Jabalpur
20th November 1964

Dear Didi,

Our new house in Jabalpur is two rooms with a small courtyard, and the neem tree outside gives shade all afternoon. Mohan has planted tulsi near the door.

He works very hard in the railway office and comes home only after seven. On Sundays we walk to the Bhedaghat falls, it is so beautiful there.

Didi, I have some happy news which I will tell you properly when you come for Holi. Do not tell Amma yet!

Your loving sister,
Kamla
