My dearest Kamla,

Your telegram reached us on Wednesday and the whole house danced! A son! Amma distributed laddoos to the whole lane. Arun is a lovely name, strong and bright like the morning sun.

Rest properly for forty days and do not lift anything heavy. I am sending you a parcel with dry fruits, two small sweaters I knitted and Amma's old silver bowl for the baby.

I will come to Jabalpur in October to see my nephew. Tell Mohan he must buy a camera now!

With love,
Savitri Didi
