

Goregaon, Bombay
30th May 1986

Dada,

I passed my Twelfth with first class! Aai made shrikhand and Papa told the whole building.

I have decided: I want to be a teacher. I have applied to the teachers' training college in Dadar. Please tell Papa it is a good job, he listens to you.

When are you coming home? Your bookshelf is now full of my books.

Your sister,

Meera
